<sup>3</sup> Special Lens Materials and Non-covered Items: Transition, ultra light, premium PALs, rush service, service agreements, other special lens materials, oversize, other extras and any items not specifically mentioned above may be substituted provided the Member pays any amount exceeding the price of the covered benefit and the Participating Provider's usual and customary fees for the upgrade at the time of service.

<sup>5</sup> Members can upgrade from standard non-coated lens to the Eyetopia Labs premium coated lenses at no charge. They can upgrade to the Eyetopia Labs high definition PAL or single vision in CR-39 plastic for an additional \$65.00.

<sup>6</sup> Child Dependents not being prescribed Resolution® polycarbonate lenses, Members (employees) and Dependent Spouses are charged a polycarbonate upgrade fee.

<sup>7</sup> If the contact lens exam or "fitting" is performed and the patient decides against getting contact lenses, the patient is responsible for the cost of the contact lens fitting fee.

<sup>8</sup> The Participating Provider must pre-authorize medical necessity.
